

PHOTO CONTEST

This year's Washboard Music Festival will include a PHOTO CONTEST. So grab your camera and capture the essence of the Festival. Participants don't have to be professional...everyone is eligible for the contest. There will be four prizes based on the "content" of the photo, not the quality. Images from camera phones to DSLRs will be accepted.

Patrick Morgan, owner of the Hocking Hills Studios (31543 Chieftain Drive, Logan) is in charge of this new activity. All images submitted will become the property of the Washboard Music Festival and may be used for future marketing and promotional purposes.

You may sign up and learn more about the contest at a tent in Worthington Park during festival hours, or you may contact Patrick at Patrick@hockinghillsstudios.com.
